USC School of Cinematic Arts

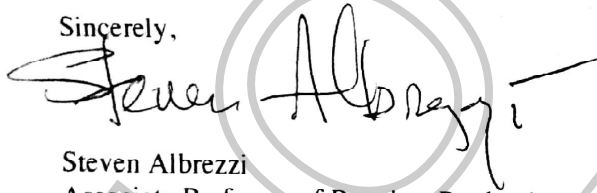

FILM & TV PRODUCTION

To Whom It May Concern:

This is to certify that Sara Cross is an MFA student of graduate studies in the Film and Television Production program at the University of Southern California School of Cinematic Arts. Her film, *She Said She Said*, is a registered graduate thesis production. This project has been developed under my mentorship during the Summer and Fall of 2019 and is set to shoot in late October of 2019 and early November or 2019.

She has opted to make her thesis independent of the university and will be providing her own insurance. The University of Southern California will accept no responsibility for loss or damage of any equipment and/or property. The crew listed below are his approved producers and some of which are currently enrolled as MFA students of graduate studies in the Film and Television Production program at the University of Southern California School of Cinematic Arts.

Sincerely,

Steven Albrezzi
Associate Professor of Practice, Production
